Protective Eyewear

New from ADC!
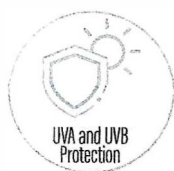

ADC now offers protective eyewear!
Our line includes three styles of general-use, impact-resistant eyewear that's perfect for workplace visitors or student observation.

- **Item 5002BK** is a deluxe full-frame style with a lightweight design and adjustable temples and nose padding for a personalized fit.

- **Item 5001** is a full-frame style available in three colors, with length-adjustable temple arms and sculpted nose bridge for all-day comfort.

- **Item 5000** is a budget-priced style with wide-coverage lenses that fit over most prescription eyewear.

**All styles meet the requirements of ANSI Z89.1 2020.**

Models 5002 and 5001

UVA and UVB Protection

1-Year Warranty

Length adjustable for a customized fit

Integrated, wraparound side shields

Sculpted nose bridge (Style 5001) or soft, adjustable nose padding (Style 5002)
